Dear Ms Wynne

Thank you for your email of 30 January 2024 submitting the Community and Stakeholder Engagement Plan (CSEP) for the Lindeman Island Great Barrier Reef Resort Project (the project) to the Coordinator-General, in accordance with Appendix 1, Schedule 1, Condition 1(a) and (b) of the Coordinator-General's Evaluation Report (CGER) on the environmental impact statement (EIS) for the project. The Coordinator-General has asked that I respond on his behalf.

I approve the CSEP in accordance with Condition 1(a) and (b) of the CGER. In accordance with Condition 1(c), the CSEP must be made publicly available on the project's website within one month of the Coordinator-General's approval.

Please notify the Office of the Coordinator-General (OCG) compliance team at OCGCompliance@coordinatorgeneral.qld.gov.au when the CSEP is available online.

I note that Condition 1(d) of the CGER requires the CSEP to be reviewed and, if necessary, updated annually during construction and in the first two years of operation of the project. I expect that Wellsmart Group will liaise with OCG regarding any updates to the CSEP.

If you require any further information, please contact Mr Gerald Schmidt, Director, Office of the Coordinator-General by email at ocgcompliance@coordinatorgeneral.qld.gov.au or on (07) 3452 7460.

Yours sincerely

Kerry Smeltzer
